DOCUMENT AND ELECTRONIC DATA RETENTION POLICY

1. INTRODUCTION

This Retention Policy applies to Woolpit Parish Council (WPC) and covers all records and documentation, whether analogue or digital and are subject to the retention requirements of this Policy.

In this Policy, the terms 'document' and 'records' include information in both hard copy and electronic form and have the same meaning whether referred to as Documents or Documentation.

This Policy will also aid paper records and electronic data storage decisions and will eliminate the need to retain paper and electronic records unnecessarily. WPC will ensure that information is not kept longer than is necessary and will retain the minimum amount of information that it is required to hold in order to meet its statutory functions and the provision of its services.

Any such system or policies relating to record management will include a review of council documentation on an annual basis. Anything that is no longer of use or value can be destroyed but if the council is in any doubt it will seek advice from Suffolk Association of Local Councils (SALC) and retain that document until that advice has been received.

Documents of historical importance, if not retained by the council, will be offered first to the county record office.

2. RETENTION OF DOCUMENTS

2.1 Appendix 1 indicates the appropriate retention period for audit and other purposes and the reasons for retention.

Appendix 2 indicates the appropriate retention period for documentation relating to information technology.

2.2 In respect of the retention of documents in case of a legal dispute, Council's policy is set out under Section 3.

2.3 Other documents not mentioned in the Appendices will be treated as follows:

Planning Papers

- Where planning permission is granted, the planning application, any plans and the decision letter will be retained until the development has been completed, so that, if necessary, the Clerk can check that the development proceeds in accordance with the terms and conditions of the permission.
- Where planning permission is granted on appeal, a copy of the appeal decision will also be retained likewise
- Where planning permission is refused, the papers will be retained until the period within which an appeal can be made has expired. If an appeal is made, and dismissed, the decision letter will be retained against further applications relating to that site.
- Copies of Structure Plans, Local Plans and similar documents will be retained as long as they are in force.

Insurance Policies

- Insurance policies and significant correspondence will be kept for as long as it is possible to make a claim under the policy.
- Article 4 of the Employers Liability (Compulsory Insurance) Regulations 1998 (SI 2753) requires that local councils, as employers, retain certificates of insurance against liability for injury or disease to their employees arising out of their employment for a period of 40 years from the date on which the insurance is commenced or renewed.

Circulars and legal topic notes from SALC, NALC and other bodies such as principal authorities will be retained for as long as the information contained therein is useful and relevant.

Correspondence

- If related to audit matters, correspondence will be kept for the appropriate period specified to the Annex thereto.
- In planning matters correspondence will be retained for the same period as suggested for other planning papers.
- All other correspondence will be kept for as long as the matter contained therein is still of interest or use to the council and or the parish.

Personnel matters

- Article 5 of GDPR provides “personal data must be kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed”. This Policy will ensure that necessary records, documents and electronic data of TPC are adequately protected, archived and disposed of at the correct retention period, and to provide all staff with clear instructions regarding the appropriate retention and disposal of such Documentation.

3. RETENTION OF DOCUMENTS FOR LEGAL PURPOSES

3.1 Most legal proceedings are governed by 'the Limitation Acts' which state that legal claims may not be commenced after a specified period. The specified period varies, depending on the type of claim in question.

3.3 If a type of legal proceeding falls into two or more categories, the documentation will be kept for the longer of the limitation period.

3.4 As there is no limitation period in respect of trust, the council will retain all trust deeds and schemes and other similar documentation.

5. RETENTION OF ENCRYPTED DATA

For any information retained under this Policy that is in an encrypted format, consideration must be taken for the secure storage of any encryption keys. Encryption keys must be retained for as long as the data that the keys decrypt is retained.

6. DISPOSAL OF DOCUMENTS OR DOCUMENTATION
